Trudi's red dress and furry bush were a big hit with busty redhead lovers.

RANDY FOR ALL THE RED-HOT REDHEADS

Dear *Voluptuous*,

The Dec. '09 issue's tribute to Red-Hot Redheads got this Irish boy's dick super-stiff. I took a trip through mammary lane with all the lovely redheads with big tits causing my pre-cum to flow as I stroked my dick.

Trudi is one of my all-time ginger favorites with her big tits, hot, furry bush and her huge, pink pussy lips. I love her fiery-red bush so much and my cock aches to be between her pussy lips as I play with her big tits.

All the lovely ladies with their red manes caused my Irish blood to rush to my dick! Truth be told, I stroked my dick until my own red pubes were soaked with pre-cum. I wish I could fuck all these lovely haired ladies.

I also loved Evzenie from the Oct. '05 issue. I would love to slam her red, furry pussy until I came all over her and her fiery bush! I look forward to seeing more hot gingers on the pages of *Voluptuous* so my Irish dick can get hard! Thanks a lot and keep doing the great job! No one does it like V-mag.–B.C., Old Bridge, New Jersey

TRUDI IS TREMENDOUS

Dear *Voluptuous*,

This is a letter from a loyal consumer of *Voluptuous* magazine, *SCORE* magazine and assorted DVDs. Include me as a huge fan of Trudi Stephens. She should be on the cover of the magazine, squeezed into the red, clingy dress she wore in her first mag appearance. She is a stunner. Hooray for pubic hair! Hooray for succulent hangers! Please bring her back as soon as possible. She is by far the hottest redhead you have featured in a long time. And keep up the great work. I am a huge fan!–J.M., Ontario, Canada

KARINA HART: ALWAYS A CROWD PLEASER

Dear *Voluptuous*,

I have some comments on your June '09 issue that I wanted to share. First, Karina Hart is fantastic! Not only a pretty face and a figure that has enough natural curves to put Pam Anderson to shame, but a sexy accent and voice, too! (As evidenced in an ad for *Karina Hart: As You Wish*, which I found in a complimentary DVD from your magazine.)

Second, Ashley Sage was unbelievable! She has a flawless complexion, lovely blonde hair and such pretty blue eyes. Magnificent curves and a nice belly with no navel piercings make her one of my new favorites. I like that in her interview, she had a steak and some cookies. I think that a lady with a healthy appetite is sexier than one who micromanages her meals.

Next is Sierra Skye. I loved her layout. I liked the intro about sunbathing

Things get hardcore and raunchy during the busty orgy scene from *My Big Plump Wedding*. These busty ladies know how to milk two dicks for all they are worth!

with just the right guy. I think that the lucky guy who got to sunbathe with her would have a tent in his swimsuit big enough to house the Ringling Brothers' Circus!

I also liked the new release, *My Big Plump Wedding*. Three parts stand out to me. The first is the scene with the bachelor party and two guys. The next is the hot threesome with the wedding photographer. And I loved the scene of Samantha's wedding night. She is so hot that a night with her could probably kill a man due to sheer joy. I don't think I'd live long enough to give her a long honeymoon myself, but what a way to go! She is fantastic!

Good job, guys! Keep up the good work and I hope you print my letter.–D.Z., Sayreville, New Jersey

STACKED: IN THE FRONT AND IN THE BACK!

Dear *Voluptuous*,

You guys never cease to amaze me. I have, for years, looked into my mailbox in anticipation of your magazine's hot-box shots. The July '09 issue's Spread 'Em pictorial is fantastic! I love women who look like women front and back. I am talking about girls with

GIMME MORE PREGGOS AND MORE BIG ASSES

Dear *Voluptuous*,

I am taking some time out from reading and jacking off to the Nov. '09 issue to tell both you and the beautiful women that pose for your magazine to keep up the spectacular work that you do. I can't get enough of V-mag.

The Preggo special was awesome, but I was disappointed that April McKenzie wasn't in it. But I do have the Oct. '09 issue with her solo preggo pics in it to hold me over. April McKenzie is one sexy preggo.

There is so much that I want to say about the Nov. '09 issue that I don't know what to start with. I will say to the gentlemen who wrote in the letters' section about no assholes in the magazine, these women are gifted with big natural tits and with that comes big, natural asses. I, for one, am happy that *Voluptuous* magazine celebrates both

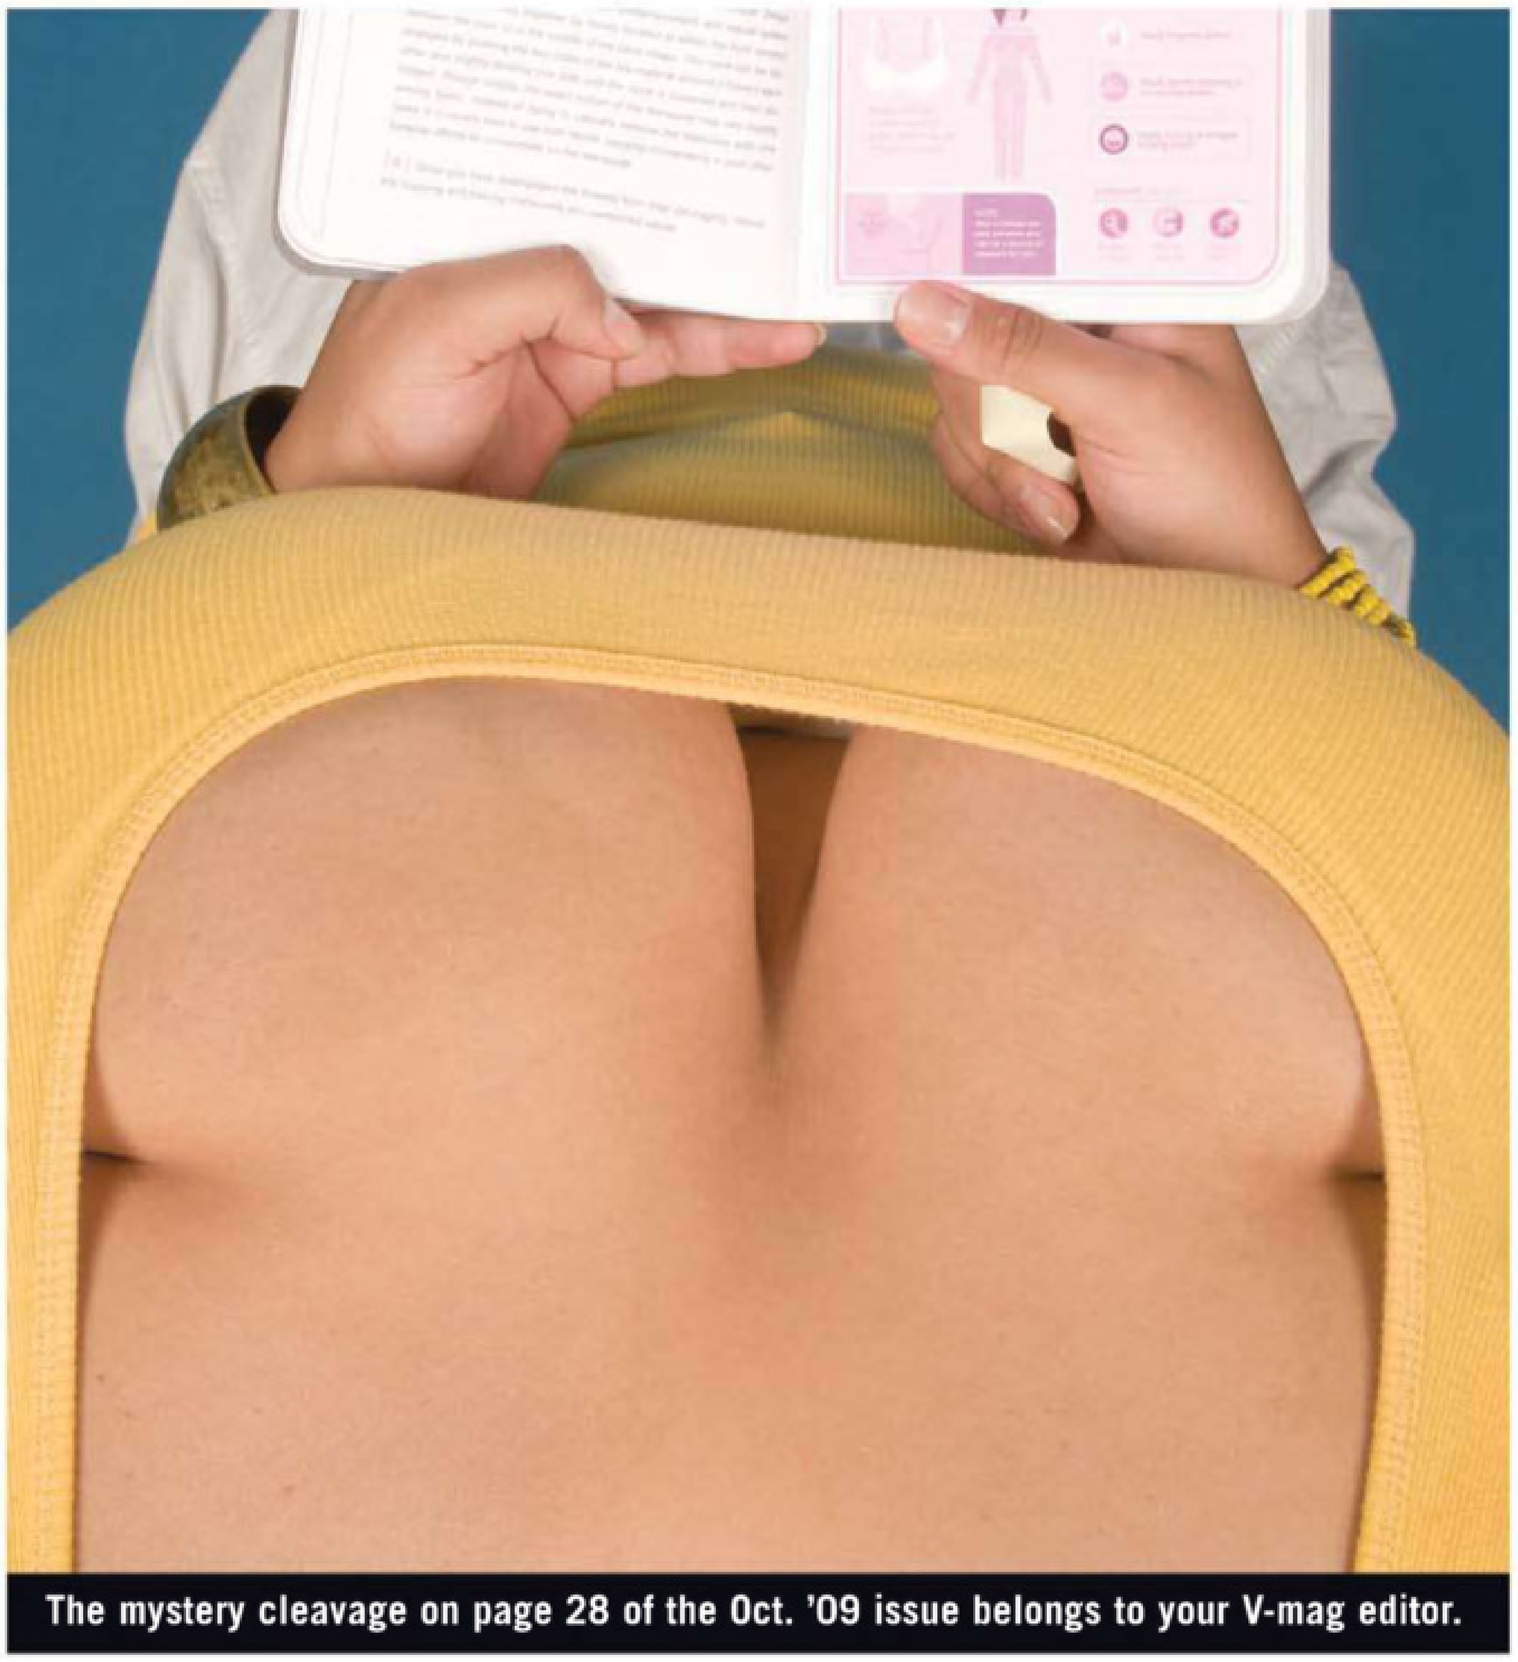
April McKenzie takes a XXX preggo pounding in *Chesty Preggos 2*.

Karina & Ashley's Bra Giveaway WINNERS

AND THE WINNERS ARE:

- ***Ashley's Bra goes to M.G. from Katy, Texas***
- ***Karina's Bra goes to J.M. from Reno, Nevada***

Congratulations to our winners and be on the lookout for more bra giveaways in future issues of *Voluptuous* Magazine.



The mystery cleavage on page 28 of the Oct. '09 issue belongs to your V-mag editor.

asses and tits because far too many magazines that feature women with big breasts forget to feature the rest of the woman. They forget that these women have nice, plump bottoms that we want to see. Who wouldn't want to see a nice, round ass AND some full, ripe tits at the same time? I enjoy knowing that the women in *Voluptuous* magazine are allowed to and enjoy showing off every bit of them that includes their assholes that their beautiful, big ass cheeks keep hidden.

You guys at *Voluptuous* keep up the superb work and keep on bringing every inch of the all-stacked, all-natural beauties that you feature every month. I am a huge fan of what you do!–L.H., Hyde Park, New York

Dear L.H., Thanks for the letter. We are happy to say that we have a treat for you! Go check out the Chesty Preggos 2 *DVD pick on page 12 and revel in the swollen bellies and huge, hanging tits! It stars April McKenzie, your fave, in some nasty XXX preggo poundin'! This dick-flick is a preggo-lover's dream-cum-true! You can score your copy on page 9.*

OCTOBER '09 MYSTERY CLEAVAGE REVEALED!

Dear *Voluptuous*,

I enjoyed the October issue very much! I really loved Jennifer, Suga, Renee Ross, Bella, Valeria, Natalie Fiore, and Veronika. They are all sexy and their breasts are beautiful! I also enjoyed the Big-Boob Owner's Manual and the parts about going braless, self-sucking and tit fucking. I also liked that you showed a lot of pussy in this issue. Please continue to show lots of pussy. Thanks for a great issue and complimentary DVD.–M.B., McLeansville, North Carolina

Dear *Voluptuous*,

I am a long-time subscriber and I had a question regarding your Oct. '09 issue. I enjoyed the article about the Boob-Owner's Manual but saw a photo on page 28 of that issue and I can't place the model. I think it might be Romina Lopez, but I could be mistaken. I keep trying to place the girl, but I can't. Please help!–U.G., Weehawken, New Jersey

Continued from page 8

Dear *Voluptuous*,

I read the article, The Big-Boob Owner's Manual, in your Oct. '09 issue and I thought it was awesome. I really enjoyed it, especially the part about the self-sucking. Great opening shot, but who is the model? She is in a yellow shirt right at the beginning of the article.–Y.D., Broken Arrow, Oklahoma

Dear *Voluptuous*,

In the Oct. '09 issue there was a funny article called The Big-Boob Owner's Manual and on the first page of that article you featured a busty lady holding a book open. Can you tell me who the model in that article was? She looks like a Latina and I love busty Latin women.–M.C., San Diego, California

Dear U.G. and Y.D., Mystery solved! That cleavage belongs to none other than your V-mag editor, Maria G.! Yes, it's me. From time to time I like to make cameos in my magazine. Thanks for enjoying the article and the view of my cleavage!

SOME SUGGESTIONS FOR FUTURE ISSUES!

Dear *Voluptuous*,

Please don't get me wrong, I love *Voluptuous* and I have every copy since your publication started back in the early 90s but I do have a few problems with the more-recent issues. Basically, why all the cocks? I am beginning to wonder if the boob thing is just a cover-up for you guys being gay. It's the same with the DVDs; boners all over the place. Enough! No more!

I am sure that I speak for many, beautiful *Voluptuous* women when I say that they don't need cocks, toys or even to masturbate. I think that men want to see them just being them. We want to see them doing normal things like bathing, being at the gym, outdoors, on the beach, brushing their hair, putting on makeup, etc. Anything natural and things that are everyday are always more of a turn-on for us.

Also, I think that a *Voluptuous* woman with a small, flat-chested girl is always more sexy than two big girls together. Also, please feature more pubic hair, please. Brazilian is for babies! And can you tell the ladies that tattoos and piercings are unsightly? I still love your magazine though.—I.L., England

But she doesn't use her sexual prowess on just women. "I like to bounce my breasts so that men look at me. This is how I get their attention. I am very aggressive with men, so once I know that they like what they see, I will make a move and initiate the sex. I think that sex keeps me young and my breasts firm."

"Keeping my breasts firm is very important to me because they are nice and I want them to stay that way. I spend about an hour a day exercising and then creaming my big breasts. I like to rub them with creams and suck my hard nipples. Some people say that I spend too much time playing with my tits, but I enjoy it, so I take my time."

INTERVIEW

Rose Valentina

PLUMPER OF THE MONTH

SLIPPERY Seduction

Interview by Alexandra Quinones

Rose has a not-so-secret weapon. Her 50-inch chest gets her noticed whether she's wearing a turtleneck or she's completely naked. During her shoot for My Big Plump Wedding, *Rose sat down with us to discuss her personal life and all things boobs and sex.*

V-MAG: Welcome to V-mag, Rose. How are you doing today?

ROSE: I'm great! I'm happy to be here.

V-MAG: Where are you from?

ROSE: Fort Lauderdale, Florida.

V-MAG: A Florida girl! Do you go to the beach a lot?

ROSE: I live at the beach. I'm there every Sunday tanning and swimming and hanging out.

V-MAG: Do you wear little bikinis?

ROSE: Everything is little on me. Even if I get a large it's still little. But I'm good as long as it's covering what it needs to cover; depending on what beach I'm at. I go to some topless beaches here.

V-MAG: How do people react when they see you topless?

ROSE: They usually just stare or they'll whisper and point. But I don't mind it. I'm confident and I like my body so when people look it doesn't bother me.

V-MAG: So, have you ever gone to a nude beach, Rose?

ROSE: Yeah, I just went to a completely nude beach, Haulover, for the first time

like, a week ago. It was awesome. People were taking pictures of me with their camera phones. It was a lot of fun. I love being naked and I didn't have to worry about tan lines! Even though I think that tan lines can be sexy sometimes.

V-MAG: Were the people taking pictures of you naked, too?

ROSE: No. I think they were tourists because we were at the beach and they were dressed like it was snowing out. Meanwhile I'm there completely naked. They would ask if they could take pictures and I was just like, 'Sure!' I do it for work anyway.

V-MAG: So it's safe to say that when you go to the beach, with your big tits, you get a lot of attention.

ROSE: Yeah, no matter what. Guys, even girls will be staring. And I'll just wave or smile and be like, 'Yeah, they're real.' I've had big boobs forever so I'm used to the attention.

V-MAG: What's your bra size?

ROSE: I wear a 42HHH. So I'll wear between a G and an H, depending on how much support I want. When I go to the gym I have to wear two sports bras or else my boobs are jiggling all over the place. I don't want people taking pictures on their camera phones there, too!

V-MAG: Sounds like you were made to be in front of a camera and a porn star.

ROSE: Yeah, I guess so. That's why I'm in this line of work. I wouldn't do it if I didn't love it.

V-MAG: Do you find that you get a lot of

attention even when you're not dressed in anything revealing?

ROSE: Yeah, even if I wear a big sweater my boobs look huge. You can't hide the fact that you have HHH boobs. They're always popping out. I think people would notice my chest even if I were wearing a garbage bag!

V-MAG: When did you first start to develop breasts?

ROSE: By sixth grade I was wearing a B-cup and overnight I was a D-cup and then a DDD-cup and they would just not stop. They're still growing.

V-MAG: You shot for *XL Girls* about a year ago. Do you think that your boobs have gotten bigger since then?

ROSE: Definitely. I know they did. I think I was a G-cup back then.

V-MAG: Now you're a HHH. What comes after that?

ROSE: I don't know. I have to get my bras personally made. If I go to places like Frederick's to get sexy bras then I know I'm getting an F-cup or something that's totally not going to fit. So I have to be prepared for what shirt I'm going to wear on top of it.

V-MAG: Do you have a lot of bras that don't fit you

ROSE: I have some that are too small for me and I'm popping out of them. But they're really sexy and the fit isn't that bad so I don't mind that they're

kind of small. I've had a lot of guys tell me that they like it when my huge boobs are popping out of tight bras that are too small for me.

V-MAG: Would you say that you have a lot of sexy bras or just plain ones?

ROSE: I have plain ones and sexy ones. I'm fortunate because I've been able to go bra shopping around the world. I'll buy a bra from Europe if I have to. I just want a bra that's sexy and fits well. I'll pay whatever I have to pay. Anything for my boobs!

V-MAG: And what kind of underwear do you wear, Rose?

ROSE: This might sound crazy, but none. I rarely wear panties or underwear. I stopped wearing them sometime when I was in the eighth grade.

V-MAG: Wait, what? You just stopped wearing underwear?

ROSE: Yeah, I stopped wearing panties completely. I go commando. It was funny because I actually had to buy underwear to model.

V-MAG: So, every single day you don't wear underwear at all?

ROSE: Not really. Hardly ever. Maybe I got it from my mom because she doesn't wear underwear either and one day I just stopped, too.

V-MAG: Even when you're wearing a short dress or a skirt?

ROSE: Well, then I'll at least have a thong or a G-string on. That's probably the only time I'll wear underwear. I couldn't be that scandalous.

V-MAG: You probably always have to wear a bra, though.

ROSE: Oh yes. I always do!

V-MAG: Do you ever go braless?

ROSE: Never, unless I'm just going to the corner store. But really, I can't go out of the house like that. I'd be messing with my boobs every five seconds. I'm braless right now and they're all over the place. I get all kinds of looks when I go out and I'm wearing a bra. Could you imagine what would happen if I didn't have one on?

V-MAG: You would probably stop traffic or cause a car accident with your boobs. People would be mesmerized and just crash their cars.

ROSE: It's amazing; people act like they've never seen boobs before. But I guess that makes sense. I mean, they're huge. If I saw a guy with a huge dick walking around I'd stop and stare, too. So I can't blame them.

V-MAG: What kind of guys do you

V-MAG DEBUT

Busty & in Bloom

Cynthia Flowers

Cynthia Flowers is a knockout from Budapest, Hungary that our photographers found in a bar one night while shooting abroad. "It was like she was selling her ass, she was dressed so slutty," Jose, our photographer, reported. "The second I saw her, I thought, 'This girl must really love to fuck.'"

Cynthia didn't speak a word of English and our photographers didn't have a translator, but this Hungarian bombshell spoke the international languages of Horny and Sexy just fine. She let her body do the communicating by unleashing her F-cups for our lensmen and the rest, as they say, was busty-girl history.

Bare Facts

Cynthia Flowers

Birthday: September 27, 1982
Age: 27 **Height:** 5'10"
Weight: 134 lbs. **Bra:** 36F
Measurements: 42-28-36
Lives: Budapest, Hungary
Hobbies: Dancing, going out to local bars and having sex.
Occupation: Model/Student

Cynthia may have never modeled before this shoot, but she was a natural in front of the camera, taking off her clothes and creaming her tits with ease. "She was definitely enjoying herself," said photographer Jose. "She started playing with her clit right away."

Michelle May

Voluptuous Vamp

Fresh from her interview in the Nov. '09 issue, Michelle May returns and this time in a vintage corset. According to this stunner, she enjoys dressing up for her men because it satisfies her penchant for fantasy. "I'm very much a girly-girl and find it fun to get glammed up. I think that dressing up for sex is part of the fantasy and I like it a lot."

"I am a fan of old movies like *Gone With The Wind* and I think that the women of that era were so beautiful. That is my definition of sexy, so dressing up in corsets that really accentuate my curves and cleavage is fun for me. But don't get me wrong; I am definitely not a priss or a girl who is afraid to get a little dirty. In fact, one of my fantasies is to be fucked in a burning building by a firefighter in full gear. I think I would love the danger aspect of it. It seems exciting and dirty."

And what else does this E-cup wonder need to keep her horny imagination going? A willing partner who takes charge, that's what. "I love assertive men. I like it when a man takes control of the situation and shows me what he wants. Or better yet, takes it. I don't want to be the one who always initiates sex and asks for what I want. Sometimes, you just want a man to give it to you. I love it when a guy grabs me, lifts me and just fucks me against the wall. And I think it's sexy when a man talks dirty, too. Nothing too crazy, but I like to hear what he wants and that he likes what I am doing to him. I don't want to be called derogatory names, but I do appreciate being told that I am a great fuck in bed!"

Titan Tuggers

When Janet Jade, a model who had never done anything but solo before decided to do a tug job with a cock for the first time on camera, she was nervous. But she was also in for the lesson of her life because when cock-smith, Christy Marks found out that Janet was going to beat some meat with her chocolate hangers, she offered Janet a tit-torial on how to work a dick with her tits. How do you become the best, little tugger that could? You let pro Christy Marks show you the ropes and the strokes!

Christy Marks

Janet Jade

The girls started off by touching each other because Christy knew that she could drive Janet wild with desire. And boy did she! The ladies did some hot tit-to-tit rubbing and sucking before getting down and dirty on this dick. By the time Janet wrapped her mams around this meat, she was dripping wet and begging for a hot load on her rack. And guess what? She got it!

usually go for, Rose?

ROSE: Oh, well I am an equal opportunity employer. [*Laughs*] If you've got it, you've got it. It's not all about looks. I'm not shallow. I do have to be physically attracted to the guy but you could have a six-pack or be chubby. If you make me laugh that's all that matters.

V-MAG: Are you single? Dating?

ROSE: I was with my high school sweetheart but we just broke up this year after eight years. So I'm very single.

V-MAG: Are you living it up?

ROSE: Yes! I go out now and I don't have to answer to anybody. And that was the problem with him. He said it's between your job and us. I told him that love wasn't going to pay the bills. Either you trust me and you're okay with it, or you're insecure. I guess he couldn't handle it. But I'm very happy being single right now and I wouldn't change a thing. I love my life.

V-MAG: You chose porn over your long-time boyfriend?

ROSE: Definitely. It's not like the relationship was perfect. If it was, then maybe things would've been different.

V-MAG: So, tell us, how did you end up modeling for The SCORE Group?

ROSE: Through one of my friends. I was friends with his ex-wife and she had big boobs, maybe like a DD or a DDD. She always told me I should come here but I had never done nude modeling before. But I decided to try it and I sent my pictures in and the next week I was in here shooting! Now I love it. You guys are the best company I've ever shot for by far!

V-MAG: Thank you! Aside from porn, do you have another job?

ROSE: Right now I'm just doing this. I was an office assistant but this is very time consuming. But I love it. It's getting better and better. I want to launch my own website soon and that's a lot of work, so I don't have time for a regular job. Not that I would want one.

V-MAG: Well, you're a natural at this anyway and you're making a lot of people happy with your boobs.

ROSE: Yeah, getting work for something you have naturally is great. I was nervous when I first came in to shoot but I got the hang of it. The more I did it, the more I liked it. And now I've come this far. This is way better than

working in an office. That's for sure.

V-MAG: And now that you are modeling, have you shot any hardcore yet?

ROSE: Yes, I just started. I didn't do it for the longest because of my ex-boyfriend. I was just doing a lot of solo stuff. And now I get to have great sex and make a living off it.

V-MAG: Now that you're single, what do you like to do in your free time?

ROSE: My best friend and I go to the gym or we lay out. Every Wednesday we go out and party at the same place. We check out all the cute guys. It really doesn't matter what we do, we make sure we get out and we're not at home staring at each other.

V-MAG: Are guys more interested in you when they find out what your line of work is? Or do you think that your modeling intimidates them?

ROSE: I think they're kind of intrigued by it. But sometimes they get the wrong idea. I have business cards and they'll mention that it doesn't say what I do. I just tell them that I model. Then they go and Google my name on their phone and show me the pictures that come up. Okay, so you got me! Either they're gonna call me or they won't. But just because I do porn doesn't mean I'm going to have a one-night stand with them. I mean, I still have all the same morals. None of that changed just because of what I do for a job.

V-MAG: So you're not into casual sex?

ROSE: Only for work. I wasn't promiscuous before so that's not going to change. Obviously I love to have sex but I'm not going to go around and just fuck any guy I meet on the street.

V-MAG: You're the girl-next-door.

ROSE: [*Laughs*] I'm a nice Jewish girl. Kind of. I try to be. No one at temple knows what I do, though.

V-MAG: And what about in your personal life, Rose? Does anyone in your private life know that you've been shooting busty porn?

ROSE: Oh, yeah. All my friends know. They're cool with it. My mom knows and she's my biggest fan. My hair lady knows. She's like, 'At least your hair is nice. That's my work on camera!' I think she works extra hard on me because she knows I'm being filmed and she wants me to look good. But hey, I like looking good, too.

V-MAG: Tell us, when you go out, do you like to dress sexy?

ROSE: I live in heels. Always. And I'm only 5'3" so I'm all for anything that

can make me taller. And for shirts, I'm either going to be showing cleavage or completely covered up because there isn't really any middle ground. So yeah, I like to dress sexy. I think all women like to feel really sexy.

V-MAG: Do you ever use your boobs to your advantage, Rose?

ROSE: It's not something that I do intentionally. Sometimes it just works out that way. People will definitely remember me if I come back to a club. They might not remember my name, but they'll remember my boobs. They get me to the front of the line.

V-MAG: What do you think of girls with fake boobs?

ROSE: I think that's ridiculous. But then again, if you have curly hair you want straight hair. We always want what we can't have. My mom actually got a reduction and she looks great.

V-MAG: Big boobs run in the family?

ROSE: Definitely. Both my grandma and my mom had breast reductions. But I have the biggest boobs in the entire family and I'm not planning to get a reduction anytime soon.

V-MAG: Are you into girls at all?

ROSE: Ninety-five percent of my life I've been with guys. I could probably count on my hand how many times I've been with girls. I can see the appeal of it, though. Girls are very sexy.

V-MAG: But you've experimented?

ROSE: Yeah. We go to the strip club and we get a little crazy. That's where most of my girl experiences have started. My birthday is in two weeks and we already have the whole upstairs of this strip club booked. We'll see what happens, but if it came down to it I'd rather go home with a guy. Girls are beautiful, but whatever they're going to use, I can buy at the store. I'd rather just have the real thing. I prefer men.

V-MAG: What happened during the times you did fool around with girls?

ROSE: It was mostly her doing stuff to me. It was usually with my friend who referred me here and her ex-husband. But they were already broken up by then. We used to hang out at the strip club and sometimes we would go back to a hotel. But it was usually me and him and sometimes she would mess around with me. Mostly we would just kiss and she would play with my boobs and eat me out a lot.

V-MAG: So this was a threeway?

ROSE: It was pretty much a threeway;

Teatime Tatas

When we first laid eyes on Ashley Sage, well, those eyes nearly popped out of our heads because she was so beautiful and her bosom was so bountiful. Here was a girl with a cherubic face and a set of tits that could launch a thousand boners. Her creamy skin practically begged to be touched and when we asked her what her secret was to maintaining such luminous skin and perfect tatas she told us, "I like to rub honey into my breasts. It keeps them supple." Indeed.

And so, Ashley Sage did what any proper Brit would do when they have company…she invited us over for tea at her home in Manchester and then she proceeded to show us how she rubs honey on her humongous hooters and it was the sweetest thing in the world!

And just like that, teatime became tit time as we watched her fondling her J-cups, massaging and kneading them and then coating them in honey. Then she started licking the honey off her giant jugs and we almost fell out of our chairs. She laughed and offered us some, “Cream? Or maybe you would like some sugar?” she said winking. We told her that her two, round lumps of sugar were sweet enough for us. Then we enjoyed our hot tea and her great two.

Loly

Loly comes to us by way of a photographer friend in Argentina who found this big-titted Latina in a library. "He just came up to me and told me that I had a great body and that I should pose for him. I have always fantasized about being a porn star and having men look at me naked. So, I didn't hesitate. I said yes and posed the next day."

Lives: Argentina
Hobbies: Playing poker, reading, watching movies and looking at porn.
Occupation: Librarian

"I imagine that a lot of girls get nervous about being naked on camera and taking dirty pictures, but I wasn't," she said. "I was excited and a little bit horny to be posing. I watch a lot of porn on the Internet and I love how the women show off their bodies and look so sexy. The night before I posed, I spent hours in front of a mirror, spreading my pussy and touching my tits. The more I explored my body, the more excited I became. I love modeling and I think that my pictures came out really sexy, too."

only she did more to me than I did to her. That's the only time I've really messed around with a girl.

V-MAG: So, no more threeways with other couples?

ROSE: No, just with them. He owned a nightclub and when the club would close we would go to the strip club. And I always knew how it was going to end. We would get the hotel room before we even got to the strip club and I knew we were going to have sex. But it wasn't always the three of us getting it on. Half the time it was just me and him having nasty sex.

V-MAG: Did the wife or ex-wife know you guys were doing that?

ROSE: Oh, yeah. She was the ex-wife by then. Me and her were friends so she knew. Then the guy got remarried and we stopped fooling around. But then he got divorced from that girl and we slept together again.

V-MAG: Was he really hung?

ROSE: It wasn't that big but he was okay. I've definitely slept with bigger but he was still sexy and he worked out and it was great sex.

V-MAG: So you're not a size queen?

ROSE: No, definitely not. I mean, if it's the size of my pinkie then don't waste my time. But with that guy it was always good sex, and that's all that matters. Not the size.

V-MAG: Motion of the ocean?

ROSE: Yeah. We had chemistry. He was a good friend of mine. I can still call him if I need anything. We were friends with benefits. [*Laughs.*]

V-MAG: You said you don't do one-night stands, but a friend with benefits situation is okay?

ROSE: It depends on the guy. I don't think I have to be in a relationship to have sex but there has to be some kind of connection between us.

V-MAG: And what does a guy have to do to win you over?

ROSE: I'm not sure. If it's instant, then we click. Then we'll talk and he can meet my mom before we go out.

V-MAG: Do you introduce every guy that you date to your mom?

ROSE: Oh, yeah. Always. I know I'm 23 and I don't have to do that. But my mom is 50 and if she went on a date I'd want to meet the guy.

G-Cup In The Garden

Victoria Lane

When Victoria Lane first came to us, she caused quite a commotion. Well, rather, her tits caused quite a commotion. Her bounteous rack inspired the moniker, Sugar Tits, which is what staffers began to call her because her tits were that sweet.

And Victoria didn't mind her new nickname, either. "I think it's cute," she said, smiling. "When someone calls me Sugar Tits, I hold my breasts together and say, 'Would you like a taste?' They love that."

And what did else did she love about posing for V-mag? Posing for pictures outdoors. "There is something very horny about taking your clothes off outside and feeling the air swirl around your naked body. It made me feel very free and really turned-on. I kept thinking that people were spying on me and beating their dicks and I loved it!"

ROSE VALENTINA

Continued from page 76

V-MAG: Has your mom ever considered adult modeling?

ROSE: [*Laughs.*] No, but she is gorgeous. My guy friends call her a MILF and always talk about how hot she is and I'm like, 'Keep it to yourself!' But yeah, she takes care of herself and is always grooming herself and in the salon getting something done.

V-MAG: Speaking of grooming, do you shave or wax, Rose?

ROSE: Both, although I think waxing hurts horribly. But beauty is pain and waxing lasts longer. I shaved last night but usually I wax. It just hurts so bad! But it has its perks. I can go two or three weeks and not worry about anything. And I like my guys to keep their stuff trimmed neat for when I go down there and I make sure I keep up maintenance on myself. It's important.

V-MAG: Do you prefer to give or receive oral during sex?

ROSE: I like to give, as crazy as that sounds. Guys think I just say that, but I really do like to give.

V-MAG: Would you say you give good head? Do you have skills?

ROSE: Yeah. The other night I was with my ex and he was like, 'Oh, my God.' And I was like, 'I've been giving you head for eight years. Are you kidding me?' He was stunned and I was like, 'See what work does?' But he told me to not even go there.

V-MAG: So, you're saying that shooting porn helped you give better head?

ROSE: It gives you more experience, so in a way, yes. I've learned some tricks.

V-MAG: Do you prefer giving head to a guy going down on you?

ROSE: Yeah, because I know what I'm doing and he's going to be happy. When the guy does it to me sometimes it's just not that good and I want them to stop. It just doesn't do it for me.

V-MAG: Have you ever been with a guy who does it well?

ROSE: Yeah, definitely. I wish all guys could be that good at it. My ex was okay at it, but in the eight years I was with my ex he did it to me maybe enough times to count on both hands. But I didn't really care. I'd rather give.

V-MAG: Was he just not into it?

ROSE: He said he didn't know how but the first time he did it he gave me an orgasm. And ever since then he did it to

me maybe ten times. But for me to give head, you don't even have to ask. We could be driving in the car and I'll do it. I swear, I'm a nympho. I just love to have sex. I can't help myself.

V-MAG: How many times a week do you have sex in your personal life?

ROSE: As much as possible. Five days a week usually. The more sex I have, the better. I think sex keeps me happy.

V-MAG: So, then getting head wasn't the reason you got your clit piercing?

ROSE: No. It was just something that I'd wanted for a while. A few girlfriends of mine had it done and they told me how great it feels. So it wasn't really for guys to eat me out. But it enhances everything sexual. Like when I'm doing stuff by myself or if I'm having sex I can tell the difference now that I have the piercing.

V-MAG: Can you feel it rubbing when you're walking around?

ROSE: A little bit but not that much. I have to move my legs in a weird way for it to really give me any pleasure from just walking.

V-MAG: Did it hurt to get?

ROSE: Not really. I mean, it did a little bit but it was over so quick that I barely noticed it. What sucked was the healing part. But that's because I couldn't have sex or really do anything for like six weeks. I didn't even masturbate. It felt like a lifetime.

V-MAG: Do you masturbate a lot?

ROSE: Yeah. When I'm not getting sex I do it all the time. I have to or else I'm going to be the biggest bitch.

V-MAG: When you masturbate do you use toys or your hands?

ROSE: Toys work better than my hand. And I have so many now, like a bag full of them from filming for my website. Okay, maybe like ten. It's not that much but it's kind of a lot. And I use them all. But vibrators are a lot better than dildos. If I were going to use a dildo I'd rather just call somebody to fuck me than do it myself.

V-MAG: So you said that you're working on your website now?

ROSE: Yeah, I'm working on it with a good friend of mine.

V-MAG: What's the URL?

ROSE: *RoseValentina.net*. It's not up yet but it's coming soon! But if you Google my name, the shit that comes up is crazy. Blogs and everything. People from around the world even find me on my personal MySpace page, and there's nothing about Rose Valentina on there.

V-MAG: So you must have some serious fans out there. You seem popular.

ROSE: Yeah, a lot of military guys love me and are my biggest fans.

V-MAG: And has a fan ever recognized you when you were in public?

ROSE: Yeah, a week ago. It was my mom's 50th birthday and we went out to dinner. A table of guys came up to us and asked for my signature. My mom was like, 'This isn't Rose Does Fort Lauderdale!' But they were still pretty nice and I gave them my autograph. I wouldn't be where I am without my fans so I appreciate them.

V-MAG: Did you know there was such a big market for BBW women?

ROSE: No, not at all. I was shocked by all the places my name turned up on the Internet and the blogs. I was really afraid to read them at first. There would be like ten pages of comments and they could be saying anything. But most of them were really good ratings of my boobs and solo performance.

V-MAG: You look like you're enjoying yourself in the solo scenes you've shot for us. And now you're doing hardcore. Would you consider doing anal?

ROSE: I've never done it in my personal life and I wouldn't want my first time to be on camera. I'm not saying that I'll never do it, just not now.

V-MAG: What about a finger?

ROSE: I might do it to myself depending on the photographer. All they really have to do is ask nicely. And if a guy wants to lick me there then he can. I don't really care. It feels good, but I don't know about some big cock going in there. I think I'd have to start off with a smaller guy if I were going to try it.

V-MAG: Just as long as anal isn't completely ruled out.

ROSE: No. I just have to try it out in private first and then who knows?

V-MAG: You're giving a lot of guys something to look forward to.

ROSE: They've got a lot more to look forward to! I just started shooting hardcore. Even though I'm not doing anal, I enjoy shooting and I hope the guys have a good time watching me.

V-MAG: They do! We think you're going to blow up in this biz, Rose.

ROSE: Thank you. I really hope so! It's been a lot of fun so far.

V-MAG: And with that we've got to wrap up the interview. We'd like to thank you for everything.

ROSE: The pleasure was all mine. You guys are awesome!

Club Hoppin' & Cock Rockin'

Scarlett Rouge and Selena Castro are BFF's. That stands for Breast Friends Forever. That means that they are there for each other no matter what happens. If Selena needs a shoulder to cry on, Scarlett is there. If Scarlett needs a buddy to go shopping with, Selena is her girl. And when either of these ladies needs a good dick-down, they share that dick and get down, together. Because that is what breast friends do. They get naked and fuck together. Hey, sharing is caring.

Scarlett Rouge & Selena Castro

And where do two busty besties go to get some cock? To the club, of course! These ladies get all dolled up in their sluttiest gear and head out the door for drinks and to score some dick, too. And who could resist this pair and their big pairs of tits? All they do is give a guy a smile and a jiggle of their goods and he is ready to leave the club with them right then and there. And when they get this lucky bastard home, there is no hesitation by either lady. They both know that they need to get off while the getting is good so they take turns sucking on this guy's wood and then on each other's pussies before they share a ride! Nothing says friend-ship like a hot, nasty threesome, right?
